

AFFIDAVIT

On September 19, 2009, the Arnold Police Department received information that a 39 year old woman, Christie Bradley ("BRADLEY"), had been engaged in a relationship with a then 13 year old male (herein identified as MM for "minor male."). MM told police that on September 19, 2009, BRADLEY kissed MM on his lips at his home. MM stated the primary means of communication that BRADLEY used was his Facebook account and text messaging him on his Sprint Cell Phone from her Apple Iphone. Law Enforcement took possession of the Facebook account and cell phone and began acting as MM in an undercover capacity. MM is now fourteen years old.

While affiant was acting in an undercover capacity as MM, BRADLEY told MM that she is in love with MM and plans to marry him upon graduation. BRADLEY engaged in several sexually explicit text messages with affiant, while affiant was acting as MM in an undercover capacity:

9/26/09 10:20 pm - Christie "do u want me 4 me or do u want me 4 for the sex?"

During further text messages between BRADLEY and MM, BRADLEY arranged to meet MM on Wednesday, September 30, 2009 at MM's home for sexual activity. Affiant, as MM, has stated that MM will skip school and be home alone. BRADLEY has stated that she will purchase lingerie from Victoria Secrets and bring the condoms to MM's house. Affiant, acting in the undercover capacity received a text message from BRADLEY that stated "I got what I went 2 dr 4 today" which refers to a previous text in which she told MM that she would go to the doctor to obtain birth control pills so that she would not become pregnant from sex with MM.

On September 30, 2009, BRADLEY arrived at MM's residence with lingerie and condoms to meet MM for sexual activity as previously arranged through text messages. BRADLEY admitted that she had traveled to MM's residence for "whatever happened" and had brought condoms for sexual activity, along with her lingerie.
